Sept 1st, 2006

Dear Business Owner,

Vanishing Point Industries is extremely proud to announce our Fall 2006 publication of *The Quest*, a 72 page, full color, perfect bound, graphic novel which will spotlight Michigan's most talented visual artists.

Submission is free for each artist. We are offering area artists a means of promotion and an opportunity for professional publication. This is an outstanding opportunity for Michigan's artists.

During the first run of publication we will be creating no fewer than one thousand copies, distributed statewide. Should those copies sell out, additional runs will be printed throughout the season.

We will be including an area Resource Guide with in the book. For a reasonable fee, you can advertise your company in our Resource Guide while also helping to support Michigan's most talented young artists.

If interested, please fill out the form below and return it with your payment to your sales person. We will be in touch with you to arrange ad design if necessary.

Sincerely,

The Vanishing Point Industries Team
